

The Guitar & Bass Play-a-thon Application Form

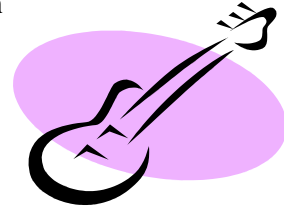

A Unique Musical Adventure

On November 13th, adventurous guitarists and bassists will gather for an unforgettable experience called the Guitar & Bass Play-a-thon at Calvary Church in Los Gatos, California. This unique and specialized event is a fund raiser to promote the Christian Guitar & Bass Conferences in 2006. Heartfelt Music Ministry puts the emphasis on encouraging and equipping others to glorify God and serve Him in music ministry. We're expanding to four locations next February and March, Northern & Southern California, Illinois, and North Carolina.

In order to apply, fill out this form and send it in to: *Heartfelt Music Ministry, PO Box 113, Mount Hermon, CA 95041*. You must have a minimum of \$100 sponsored in order to participate. On that day, each participant will rotate playing with other participants one-on-one for the majority of the time. We will have songs, progressions, exercises, and other resources to share. Each participant will receive:

- Over \$50 worth of music resources (strings, magazines, CDs, sheet music, etc.)
- Free admittance to the Phil Keaggy concert that night.
- A 25% discount toward registration to the 2006 Christian Guitar & Bass Conference.

Top Seven Participants

Phil Keaggy is going to spend some of his time promoting the conferences by playing one-on-one with seven individuals (either guitarists or bassists) who raise the most support for the Christian Guitar & Bass Conferences. Each of the seven musicians will get 10 minutes to "jam" with Phil which we will record and make into a DVD so you can show all your friends for years to come.

The top seven participants will receive:

- Over \$200 worth of music resources (strings, magazines, DVDs, CDs, sheet music, etc.)
- Free DVD recording of you playing with Phil to capture the day.
- Free admittance to the Phil Keaggy concert that night.
- Free admittance to any of the 2006 Christian Guitar & Bass Conferences.

We need your help and you'll have the time-of-your-life doing what you love during this four hour stringed marathon. You can go to friends, family, teachers, employees, companies, etc. Let them know how this will help us train and empower over 1,000 guitar and bass players. Come join the "jam!"
